BUBBA BREW'S HOUSE RULES

- 1 Thou shalt not steal/share/waste from our buffet. If you don't have a wristband, don't worry, we won't interrupt your nice dinner. We will just add it to your bill.
- 2 Thou shalt tip in order to keep our fantastic servers. It's how they make their living. If you don't want to tip, please choose our carry out service.
- 3 Thou shalt be gratuitized if: A) your party is 8 or more, B) your attitude just sux or C) you are just unhappy with life in general.
- 4 Thou shalt be 21 & up with valid license to order, possess or taste an alcoholic beverage. Just because you are with your Mom & Dad, "NO" means "NO".
- 5 Thou shalt not fight, act like a fool, or just be a huge problem! If so, you will be barred for 365 days. Leap years will add to the sentencing.
- 6 Thou shalt understand peak hours and seating. If there is a wait, please leave your name at the front. Also, if there is a wait and we are packed, your food is going to take longer than normal. Patience is a virtue!
- 7 Thou shalt not brown bag. If you are convicted of sneaking in beer, airplane bottles, or moonshine, you will be barred for 365 days and yes, leap years apply here also!
- 8 Thou shalt not continually leave to go to your car. This is an obvious sign that you are trying to save money and consume alcohol off premises at a reduced price. If you are running short on cash or credit, just stop by another time.
- 9 Help Us Help You! If you are not happy with your food or service, please notify us immediately. It does no good to post an anonymous complaint 3 days later on social media. In other words, stand up, be heard, and be somebody!
- 10 Thou shalt not whine!
"They wouldn't let me drink without an ID"
"The music is too loud"
"I only sampled the buffet and got charged full price"
"I got cut-off"
"I don't like the rules"

Note: Bubba Brew's is a 100% WHINE FREE ZONE.
So if you can't adapt, next time please don't give us the pleasure of a personal appearance!

Thank you,
Management & Staff
